In many public parks and grounds, you may need a permit to build a fire, and in areas where campfires are not allowed, you may need to cook on a Totin Chip. The Fireman Chit tests safety and knowledge, always a high priority in any scout function and activity. Two tools to help with safety in the troop are the Totin Chip and the Fireman Chit. These cards are given to scouts who have demonstrated knowledge of the safety rules of the topic. The Fireman Chit is a card issued to a scout authorizing him to light a fire and maintain it, while the Fireman Chit lesson plan 1 introduction discusses the ability to light a fire and maintain it. The requirements in the 2003 Boy Scout Requirements Book read as follows: This certification grants a scout the right to carry matches and build campfires. The scout must show his scout leader or someone designated by his leader that he understands his responsibility to do the following:

1. Have read and understand fire safety rules from the Boy Scout Handbook.
2. Demonstrate proper handling, care, and use of the Fireman Chit.

This certification grants a scout the right to carry matches and build campfires. The scout must show his scout leader or someone designated by his leader that he understands his responsibility to do the following:

1. Have read and understand fire safety rules from the Boy Scout Handbook.
2. Demonstrate proper handling, care, and use of the Fireman Chit.

The Fireman Chit training we are starting now is what the Fireman Chit is. The Fireman Chit is a card issued to a scout authorizing him to use fires and other hot objects. BSA requirements for the Fireman Chit are:
