Trouble Disassembling G Boley Lathe Headstock

NAWCC

April 16th, 2019 - Boley or not there is a difference if the lathe was made for US market. Namely all lathes exported to US were with the pulley made of Bakelite all others were made of cast iron. In my experience with the CI pulley there may be a problem with a too tightly fastened set screw s which usually leave an ever so slight burr on the spindle which
