the body is the barometer of the soul is actually a great reference book
written by annette noontil why am i talking about this book today you ask, in
the journey we ve long realised that your body is the barometer of your own
soul and the only way your soul can speak to you is through impulses that are
sent through the body after practising a short exercise brandon shares in the
video you ll be amazed at how happy your body is that you re willing to
listen to it, anytime we become dis spirited self judgmental or in any other
way soul sick we may experience a sympathetic response from the inner organ
which performs the same job for the body that the soul does for the whole
self the liver which purifies the body and stores up the nutrients in our
blood stream for future use, body is the barometer of the soul annette
