Corrections officer Danny Mendoza died as the result of complications after contracting COVID-19 during an outbreak among employees and inmates at the California rehabilitation center in Norco. Mendoza had served with the California Department of Corrections and Rehabilitation for 24 years. His department vehicle left the roadway and overturned causing him to suffer fatal injuries. Officer Bianchi had served with the California Department of Corrections and Rehabilitation for 10 years. He is survived by his wife and two adult children.

Since 1852, the Department has activated thirty-one prisons across the state. CDCR's history dates back to 1912 when the agency was called California State Detentions Bureau. In 1951, it was renamed California Department of Corrections. In 2004, it was renamed California Department of Corrections and Rehabilitation. CDCR manages the state of California's prison system with an emphasis on public safety, rehabilitation, community reintegration, and restorative justice. DRP is a branch of CDCR operating from headquarters located in Sacramento, California. DRP is at the heart of rehabilitation activity in CDCR. Its top priority is to provide rehabilitative programming and skills to offenders and parolees to reduce their likelihood of reoffending by the time they return to their homes and communities.
