Mike Griffiths is a world-renowned project manager, trainer, consultant, and writer holding multiple project management and agile-related certifications. He was on the original PMI Agile Certified Practitioner (PMI-ACP) steering committee which defined the agile-related knowledge, skills, tools, and techniques to be tested by the PMI-ACP exam. Mike was recognized for his work developing agile project management techniques and promoting agile project management, including leading the PMI-ACP exam prep course and writing the PMI-ACP Exam Prep book, the official textbook of the PMI-ACP exam. Mike is the author who has the most profound knowledge of the PMI-ACP exam and is considered by many PMI-ACP exam takers as the official textbook of PMI-ACP exam preparation. Mike is an award-winning project manager with a proven track record of delivering exceptional results in addition to executing projects. He is a successful author who excels at training project managers, project teams, and organizations in the agile approach. Mike is an enthusiast with a long history of contributions to the project management community, helping create the agile approach (DSM) in 1994 and using agile approaches on his projects ever since. Mike is considered by many PMI-ACP exam takers as the official textbook of PMI-ACP exam preparation.
