Closing the Literacy Gender Gap Top Tips for Motivating
May 1st, 2019 - Concerned literacy educators work tirelessly to close achievement gaps caused by socioeconomic status race disability and English language proficiency. However, there's one more education gap that needs to be addressed—gender. Educators have noted that girls consistently outperform boys in reading skills and research bears this out.

Our Gender Transformative Approach Tackling the root
May 14th, 2019 - Back in 2017 we in Plan International decided to adopt a gender transformative approach so that all and I mean all our programme and influence work would make significant contributions to gender equality. Nowhere in today’s world girls and boys, women and men are treated equally and only through a gender transformative approach will we be able to tackle this.

Gender roles in animated cartoons: Has the picture changed
May 7th, 2019 - The effects of television cartoons on gender role stereotyping in young girls was studied in an experimental setting by Davidson, Yasuna and Tower 1979. Thirty six 5 and 6-year-old girls watched three Saturday morning cartoons that appeal to girls because boys outnumber girls in the 2–11-year-old audience. If a show is to...

Social construction of gender Wikipedia
May 3rd, 2019 - High school is a major transitional
period for girls and boys as their bodies transition into
men and women. The end of high school is usually
marked by the 18th birthday, a major milestone in an
individual’s life. Boys and girls go through this
transformation within high school where each gender
faces body satisfaction differently.
