Bolt together aluminum open car trailer kit or plans
April 13th, 2019 - Trailex’s smaller bolt together trailer is rated for 3100 lb so that’s less than half what my steel trailer will haul. It’s narrower and shorter than mine too. Still 5100 though. Those lightweight Euro trailers are nice too, but no one here seems to build a trailer to fit the smaller cars like that.

**Explanation of bolt together frame idea**
