Understanding the BOSS SNOWPLOW Next Generation Electrical
April 18th, 2019 - When a storm hits the last thing you want to have to worry about is troubleshooting wires or charging a controller with a dead battery. The Next Generation Electrical NGE System introduced by BOSS eliminates those issues while offering you more benefits to ensure your snowplow is ready to go whenever a storm hits.

boss smart hitch doesn't work PlowSite
April 17th, 2019 - My smart hitch doesn't work, it clicks when the toggle switch is pressed but that's it. I checked the wiring and connections and verified its in the float position but nada, no go. The plow seems to function fine except for the smart hitch. Any ideas on where to start troubleshooting?
