I have a Bobcat 773 and I replaced the alternator but still it doesn't work. How do I change the alternator on a Bobcat 773? I found some online forums and solutions for similar issues. I also checked the Bobcat alternator catalog, which includes parts for models like 751, 753, 763, 773, 863, 873, 883, 963. There's also information on the eBay store for Bobcat alternators. I'm particularly interested in the Bobcat 763 skid steer loader service repair manual, which I found on the official Bobcat company site. I also checked out the Bobcat genuine parts catalog and found a new alternator that fits the Bobcat skid steer 743b. I'll be ordering it soon!
