What are some good positions for bondage and rope play

April 17th, 2019 - My girlfriend suggested that we have fun with each other by tying each other up. I like this idea and so does she. However, we don't know any positions besides the spread eagle position. If anyone knows any good positions, could you share it with us? Maybe you could explain it a bit too. We would like ideas for both of us to be tied in. Thanks.
