the bmw h ems roof lift project was announced as the overall winner as well as the winner of the innovation category at the saisc steel awards 2017 event which took place on 13 september at emperors palace gauteng table bay hotel in cape town and the mount edgecombe country club in durban, the southern african institute of steel construction saisc has called for entries for the aveng trident steel awards 2017 and cadex systems sa photo competition steel awards 2017 call for entries saisc ceo paolo trinchero says that after the high standard of the 2016 awards there has been extraordinary expectation throughout the steel, july 2013 issue 51 www trademax co za sa r36 each incl r360 per annum incl your roofing fastener specialist we set the standard sans1273 2009 as3566 2 2002, the main frame and boiler grid supports project at medupi power station is the mining and industrial category winner as well as overall winner for steel awards 2013 the judges said the boiler support structures really exhibit excellence in the use of structural steel it is a classic heavy, considering the history of high level work that has been entered into steel awards over the years it is most encouraging that the bar is raised, home our goal is to provide our clients with the highest quality drawings in the best possible time frame without compromising the accuracy and clarity of detailed drawings, 4 saisc comment engaging stakeholders and seeking solutions by paolo trinchero chief executive officer saisc we have been fortunate to meet with the minister of trade and industry the minister of economic development and the minister of public works in different forums i must tell you that they are all passionate about helping our industry and moving south africa forward, view tiaan nieuwendts profile on linkedin the world's largest professional community tiaan has 3 jobs listed on their profile see the complete profile on linkedin and discover tiaans connections and jobs at similar companies, steel construction vol 39 no 2 2015 saisc projects to meet the client requirements for a safe pedestrian river crossing structural steel was chosen as the best material to meet the above requirements and the inaccessible deep gorge provided the ideal situation for the engineer to test his mettle, render and paint system were sourced in south africa and delivered to cape town or walvis bay harbours and from there shipped to st helena which drew praise from saisc s erling an aspect of this year s theme is proudly south
The St Helena Airport Project shows the power of local ingenuity, the Southern African Institute of Steel Construction (SAISC) has called for entries for the Aveng Trident Steel Awards 2017 and Cadex Systems SA Photo Competition. SAISC CEO Paolo Trinchero says that after the high standard of the 2016 awards, there has been extraordinary expectation throughout the steel construction industry in relation to this. According to the judges, the plants which were installed and commissioned at Snap Lake near the Arctic Circle and Victor in Canada demonstrated De Beers ability to accomplish a uniquely challenging task in the most arduous physical conditions. It is hard to imagine a more inhospitable site to build a plant than one close to the Arctic Circle where temperatures are known to, Trans African Consulting Engineers Walker Ahier Holtzhausen Engineering Consultants Wah CC Bergstan South Africa SAISC Cadex SA Pty Ltd Nicholas Featherston Goba Consulting Engineers and Project Managers Constructional Engineering Association Shaun Green Steel Fabrication Consultants & Allied Services Richard Butler Cadcon Pty Ltd, many steel award 2014 entries reflect steel's popularity for social investment projects. The Southern African Institute of Steel Construction (SAISC) reports that many of the more than 60 entries into steel awards 2014 reflect how steel has become the material of choice in a growing number of social investment type projects.

2009 Annual Report free download as PDF file PDF text file TXT or read online for free. It has been a privilege to be the chairman of the Southern African Institute of Steel Construction for the last two years. The second year was a difficult year for the industry triggered by the global financial crisis resulting in a significant downturn in local and regional work for many sectors. Harlech Jones concludes that with Bentel being one of the leading pioneers in the retail sector in South Africa over a number of decades, these awards definitely strengthen and showcase our ability, expertise and value add in the retail environment and are extremely proud of our achievements in this arena.
