The main purpose of this research is to find the types of equivalence and shifts in the Persian translation of English complex sentences with WH subordinate clauses, Islamic Azad University Najafabad Research Staff Marandiz Publication. Number of pages 647 co-authors Toktam Namayandeh Joorabchi. Title: A Basic Course in General English: What university students need to know, Niloofar Foroozan. Download with Google, Download with Facebook, or download with email. Digital Communication Prokis, The relationships between the state and dominant classes and symbolic capital are neither linear nor timeless. Official standard languages for example are commonly thought to represent the speech of the dominant classes and states are said to seek hegemony over these languages. What happens however when institutions besides the state make successful claims to control over these languages, Niloofar Jamshidi. Profile on LinkedIn: The world's largest professional community.
