What no BobCat GURUS LawnSite
May 14th, 2019 - The Bobcat 7 pin connector is very complicated basically from what I
have been told is that the new computer on Bobcat talks to the computer on the attachment
I know cause I had to get a 14 pin added

The SkidSteer Forum gt Forum
April 23rd, 2019 - Bobcat 7 Pin Adaptor Posted 12 18 2011 01 40 PM My new A770
from Bobcat came with a very difficult way of adding a 14 Pin connector so I could run all of my attachments. When I spoke to Bobcat, they made it sound like the 14 pin system will soon be obsolete. I went to work on making an adapter for the 7 pin and will be shipping some in January.

**Next Gen Control Kits Compact Equipment**
May 8th, 2019 - Odegaard noted that 14 pin Bobcat attachments can be used on current Bobcat machines if a 14 pin attachment control kit is installed on the loader. Likewise, a 7 pin attachment can be operated on a machine with a 14 pin attachment control kit by installing a 14 pin T harness on the attachment.
